Students undertaking exams should be aware that it takes dedication and effort to complete exams successfully. Due to the amount of preparation involved a weekly one hour lesson is required from 4<sup>th</sup> grade onwards. In addition parents must be prepared to pay for additional one off lessons if needed. **Students are entered for exams only when they are fully prepared.** This is to avoid the situation where a student has to be pulled out of an exam due to lack of preparation, which is not a pleasant experience for anyone involved.
